

The McKinley Help Desk

You are invited to drop in any Monday beginning **November 26th**, from 2:45-3:30 to learn more about how you can help your child at home.

The McKinley Literacy Coach and Math Coach can help you with classroom strategies to use with your child at home.

- Get new ideas for getting your child to read and practice math facts
- Discuss how classrooms have changed since you were a student
- Learn more about helping your child with homework

**Please let us know if you need a translator.

** Location to be determined.
